YES

How many 40-foot containers of medical equipment and supplies does your organization require this year?:

4

Is your organization in need of school, church, or household furniture?:

YES

How many 40-foot containers of furniture do you require this year?:

1

Of the needs your organization expressed above, which is the most urgent or of highest priority this year?:

Other

Please detail your specific needs below:

They are all urgent except the furniture one. You can send any to start with.

Are there projects your organization is planning or that are already in motion which require specific material product that were not included in the product offerings above?:

YES

Please specify the material needs for this project.:

Machines and tools like Sewing machines, Catering equipment, Carpentry machines and tools to empower the women and youths out of poverty.

Are you a returning partner?:

YES

Have any customs requirements for receiving container shipments and/or specific types of products we offer changed this year?:

NO

Do you have any recommendations for World Help to make the container process easier for your organization? If so, what changes do you recommend?:

YES

Please share your experience and feedback below:

World Help should help us find sponsors or people who can contribute towards customs on expensive items we can not afford. For example the customs on clothes and furniture is very high. We may need some help here.

World Help requires an impact report for every container it releases, which requires the partner document and supply to World Help specific details on distributions, individual testimonies, and media content. Does your organization agree to this requirement and commit to providing complete reporting this year?:

YES

An impact report is due within 90 days of receiving a container. Does your organization agree to submit any requested reporting within the 90-day window?:

YES

Do you have any questions or concerns about reporting?:

No. It's clear.

Additional Questions or Comments::
