### **What Was The Crisis And When Did It Take Place?**

A regional prison sent 100 of their prisoners to join the Mango Civil Prison which was already overcrowded.

### **Describe The Types Of Needs This Individual Has.**

The Hospital of Hope staff and missionaries lead a Bible study in this prison each week and offer free medical care. Many of the illnesses we see are from lack of good nutrition.

### **How Did This Donation Meet These Needs And Make A Lasting Impact?**

These meals provided food to people where desperate for food and helped the new prisoners eat until their families could find where they had been transferred and make arrangements for them

### **Please Provide A Quote From The Individual About How They Feel After Receiving This**

## **Donation.**

The prison administrator said that with limited government help available this was the first night in a long time he could go to bed knowing all of his prisoners had eaten that day.
