Clothing & Footwear

Are there projects your organization is planning or that are already in motion which require specific material product that were not included in the product offerings above?:

NO

Are you a returning partner?:

YES

Have any customs requirements for receiving container shipments and/or specific types of products we offer changed this year?:

NO

Do you have any recommendations for World Help to make the container process easier for your organization? If so, what changes do you recommend?:

YES

Please share your experience and feedback below:

Please need send the papers as soon as possible because we are complaining in finishing the clearance as in our country is somewhat complicated

World Help requires an impact report for every container it releases, which requires the partner document and supply to World Help specific details on distributions, individual testimonies, and media content. Does your organization agree to this requirement and commit to providing complete reporting this year?:

YES

An impact report is due within 90 days of receiving a container. Does your organization agree to submit any requested reporting within the 90-day window?:

YES

Do you have any questions or concerns about reporting?:

No

Additional Questions or Comments::

Many thanks to you and all the team participate in sending all these materials and God bless all who gift these materials
