

CONTAINER REPORT SHIPMENT I.D S25046

Rice donation has been of great help to different people within our country Zimbabwe 🇿🇼. The need for food was enormous, because we obtained requests from different institutions including the Government, schools, local authorities and churches. The Beneficiaries through the request from government is :

1 INGUTSHENI PSYCHATRIC HOSPITAL. it's one of the 2 such hospitals in Zimbabwe and has a population of 500+ inmates. The institution has been facing food shortage due to financial challenges facing a lot of government health institutions. The donation of rice has managed to alleviate the food challenges for patients and the health ministry has appreciated the timely donation as the patients will have meals.

2.SCHOOLS

We received requests from schools for the food. many schools especially in rural areas are very far from the homes, making the learners to walk 5-10km to school and without having anything to eat. The donation will be used as food program, where parents go to the school to prepare meals for the learners to eat at school and the impact of the meal is that no learners will go hungry while they are at school and they will concentrate on their studies after having a healthy meal.

3. The Vulnerable members of the community. (Elderly/Child headed families. The local authorities (Councillors) identified the needy within their wards and assisted the mentioned group of people with food, because they are not able to get food due to old age and for child headed families they are not working. So the provision of food has an impact in that the vulnerable members are guaranteed of a healthy meal. The only thing that

4. CHURCHES
The churches play a great role in the community and the provision of the donation to assist fellow members and other members of the community who are needy will have an impact on the church and the community in meeting the needs of the disadvantaged community members.

NOTE

The Government, Local Authorities, Schools leadership and the churches are grateful to the donor and appreciate the food donation as it will meet the needs of the beneficiaries in a long way.

As Smile for Africa and on behalf of all the beneficiaries thank you for the wonderful food donation
