This shipment is to be administered by the party listed above and the relief agencies and mission groups working with the consignee. The contents of the shipment are to be used for humanitarian purposes only. The contents may be either distributed directly to the needy or used to manage and set up the logistical needs of its aid programs. **The shipment is not to be sold, resold, or exchanged for profit or gain.** Therefore, there is no commercial value to this shipment. The declaration of value, **US \$5,000**, is for customs purposes only, and does not involve any currency of the destination country.

The consignee listed above is hereby given permission to administer this shipment in the manner that it finds to be the most beneficial to the poor and needy peoples served by its mission and programs. This includes the sharing and re-donation of the contents of the shipment to other native institutions and agencies.

Accordingly, it is requested that those parties handling the recipient, clearance, and onward forwarding of this shipment process it expeditiously and in good faith, so that the relief and charity efforts in the destination country can begin as soon as possible. Any changes to this statement needed to comply with the local rules and regulations may be made if in agreement with and attested by the signature of the consignee.

Container Condition Survey

Container BMOU 438511 3

Tow, Inc. Ref. No. 33568

March 25, 2026

Acting at the request of Heidi Gibert, CSIU, and this firm did, on the 25th day of March, 2026 conduct survey of ISO Container BMOU438511 3. The purpose of the attendance was to determine the general condition of the container and prepare a record of same.

Findings

Note: The IICL guide for container equipment inspection is considered when compiling this report.

A valid CSC plate is attached to the container. Next Inspection due March 2028.

Manufactured: 2010

Tare Weight: 8,510 lb

Max GW: 67,200 lb

Stackable Weight: 499,720 lb

Racking test load value: 33,600

Survey of the container found, the corner castings are square, and doors and related hardware, including rubber gaskets are in good secure condition. The container showed relative wear for it's' age minor denting surface rusting. Noted dirt and debris on floor of container

This container would be considered seaworthy, fit to carry general cargo and would be sufficiently sound to meet the rigors of an ocean voyage.

Recommend container be swept out prior to loading.
