Allocation Letter - Container Shipment Program April 2026 - March 2027

World Help's Humanitarian Aid Department is looking forward to beginning a new year of partnering together to bring **Help and Hope** to vulnerable people around the world.

We have reviewed your requests and are excited to partner with your organization. Container allocations are changing this year. They will be offered and projected on a quarterly basis (Q1-April-June, Q2-July-Sept., Q3-Oct.-Dec., Q4-Jan.-March). This will be based on what we have in our warehouse and how we can match your needs. This should be more accurate than a yearly projection. Your liaison will communicate the projected offers at the beginning of each quarter.

By accepting containers from World Help, it is our understanding that your organization agrees to comply with the partnership parameters outlined in our partnership agreement. A copy of that agreement is available on the Partner Portal for your review. World Help also acknowledges and commits itself to our partnership agreement. Please make sure your partnership agreement for 2026/2027 is signed on the partner portal.

Thank you for all that you do to bring **Help** and **Hope** to vulnerable people around the globe. It is an honor to partner with you. Please contact your Regional Liaison for any questions.
